

CORONAVIRUS (COVID-19)

Drive-through Swab Collection

Laverty Pathology is operating a drive-through sample collection service at Club Macquarie, 458 Lake Road, Argenton NSW

Collections will occur Monday to Friday 7:30am - 2pm
(Closed Public Holidays)

1: Each patient **MUST** have a completed pathology request form from their doctor with:

- Patient details (Address, Date of birth, Contact phone number, Medicare/insurance details)
- Tests requested - **COVID-19 PCR**
- Referring doctor details including provider number

2: Doctor to complete request form and send to patient

- Download and complete the Interactive Request Order Form (Telehealth) from our website homepage - www.laverty.com.au
- Send completed request form to patient

3: Patient **MUST** bring completed request form to the drive-through collection location

4: Patient attends drive-through collection Monday to Friday 7:30am - 2pm

(Closed Public holidays) **Note** these times may change; please refer to the Laverty website www.laverty.com.au

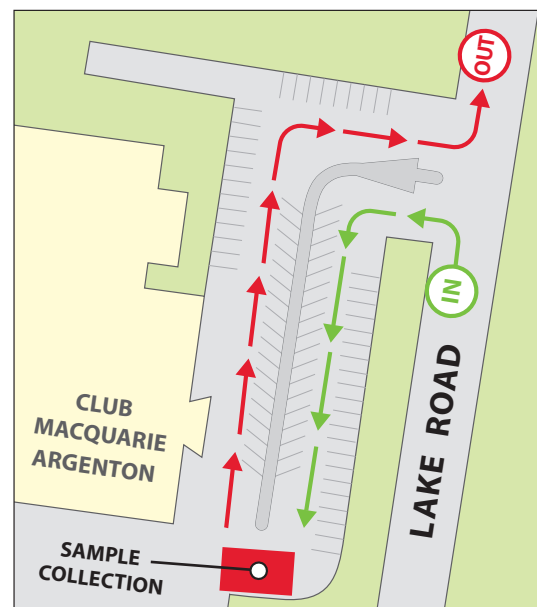

- Location:
Club Macquarie, 458 Lake Road, Argenton NSW
- Patients **DO NOT** get out of vehicle at any time

5: Patient waits in vehicle

- Patients should show their ID, Medicare card and pathology request form
- A collector will attend the patient in the vehicle and collect the specimen (nasal swab)
- No blood/urine will be collected at this site

6: Results

- All results will be sent to the referring doctor
- Negative results will be available to the patient via SMS if consent and mobile phone number are provided
